

Featured Videos

Monday, 24 September 2007

Featured Videos in CEO SPACE help viewers match their industry category of interest, such as physician, attorney, service industry, manufacturer, retail and many others to a short ten minute click and play high quality film. Each click and play film segment defines entirely new data about the value package offered by CEO SPACE at our educational world trade show. Click and play at least three videos to gain due diligence information from hundreds of recent professionals and CEO's who have attended and had successful results. Lifetime membership value is defined by the video information available below.

Please note that they require RealPlayer to be installed on your computer, which can be downloaded free from real.com. Make sure you Uncheck all options, and install the Basic version only. MAC and Linux versions are available as well.
