

## Dream Careers Offered Here ...

Monday, 24 September 2007

### JUST SAY YES!

CEO Space is recruiting today, offering proven career tracks via no cost start up (city) licenses to qualified individuals who are seeking opportunities in self-employment. CEO Space City Club Presidents are independent, for-profit contractors, each self-employed, with profit sharing, and related benefit plans coordinated by CEO Space. CEO Space Club President responsibilities include: a passion for helping CEOs of mid size and larger businesses to network in community to resolve common problems. CEO Space provides educational opportunities for senior management of larger institutions.
