
Can You Provide Background on CEO SPACE?

Saturday, 29 September 2007

CEO SPACE produces five annual CEO level educational retreats, which also serve as a "CEO to CEO" trade show for interactive business building. Every 90 minutes the CEO is moved into a break period to run their business by cell phone and email. CEO SPACE is endorsed by "Your Home Work" the largest teacher parent educational site in the world for teen enrollment to CEO SPACEs FEAST teen entrepreneur program. CEO SPACE is endorsed by the Consortium for Entrepreneur Education a public charity that for twenty years promotes entrepreneur education for adult learning. The CEO SPACE pull down menu CEO SPACE in the Press provides press features in print from radio and television including most major networks related to CEO SPACE and its work. Over a 17 year service history, CEO SPACE has gained a good will reputation with large Fortune companies, state and federal entrepreneur support institutions, a growing number of Chamber organizations, all of which appear in testimonial film and print materials on this web site. The CEO SPACE web is a directed site in which local Club Presidents in cities everwhere "direct" business owners to industry specific films and print sections. The CEO SPACE web resource features many sites of which this site is only one. The site you are reading includes over 1500 page of print information and more than 100 video presentations including testimonial films from CEOs who have attended past programs listed by date. CEO SPACE is owned by Lynn and BJ Dohrmann, original founders, and operated by Club Chapter Presidents in cities operating worldwide. CEO SPACE is seeking a major bank partner to acquire a 50% ownership in the firm as the next phase in the company's growth plan.
