

Why Do Business Owners Come to CEO SPACE?

Saturday, 29 September 2007

Business owners attend CEO SPACE for the CEO to CEO networking and mentor help. CEOs for a wide range of business missions attend CEO SPACE to associate, to improve near term planning from inside, as well as outside industry perspectives. CEOs help one another to enlarge customer base, manage capital resource requirements as strong strategic alliances are forged during CEO SPACE's Forum week. The week long residency program permits CEOs to associate in like minded logical groupings, making CEO SPACE's process both unique and powerful. CEOs typically use CEO SPACE as a management incentive program. CEO SPACE is unique as families attend together. CEOs re-invent near term plans, drawing on vast expert resources on site during the program week. CEOs may use more than one fifty thousand dollar a day expert on a topic to create solutions impossible outside an equally resource rich week. CEOs attend to save time and to expand options for coming quarters. CEO SPACE has become a preferred eighteen month "vision planning" retreat for CEOs and their core management teams. CEOs trust the CEO SPACE environment. The CEO SPACE process is fresh, unique, very advanced, and global in perspective. Leaders discover CEO SPACE is one of the better answers to President George Bush's request that CEOs at the top increase their contribution to mentoring. CEO SPACE is a press free zone of confidentiality, privacy and contribution to nation and community. CEOs attend CEO SPACE to master the new cooperation system technology for their work place. CEO's attend to place Super Teaching hardware into their existing training facilities. CEOs attend to elevate next quarter performance, at a CEO to CEO retreat that fits leadership at the top. Retraining the worlds most important leaders, keeps the future safe, free and vibrant by cross sharing the most important knowledge base, namely "yours." CEO SPACE offers CEOs a new very advanced form of management training. Bring your wish list for coming quarter solution needs - we'll warp drive results and quality into the mix. Busy CEOs appreciate the pacing at CEO SPACE whereby every 90 minutes breaks permit cell phone, email and other CEO duties to be executed. CEOs seeking a rewarding planning and execution retreat for their senior management will find CEO SPACE the next generation product in CEO to CEO support. CEO SPACE Club Membership provides prestige and access to complex resource grids developed with leading CEO needs in mind.
