

## What Happens after I Enroll?

Saturday, 29 September 2007

CEO SPACE recommends that your first step, following enrollment, be to secure your hotel reservation. Hotel information can be located under "dates" in the pull down menu on CEO SPACE's home page. Phone numbers and other details appear at this location url. Hotel direct click to enroll at CEO SPACE group rates for hotel space in LA are available on this web site. CEO SPACE tips include: when phoning the host hotel: either have our local CEO SPACE travel agents (office managers) help you - or: \* Ask for the local on site reservation desk.

\* Ask for CEO SPACE group rates - which include deep discounts for CEO SPACE enrolled students.

\* Write hotel confirmation numbers down, as hotel space typically sells out completely for all CEO SPACE forum events.

Once you have confirmation for class space, you will receive a pre-class kit (If you have prepaid a minimum deposit of only \$500.00). Note: CEO SPACE accepts all major credit cards and/or cashiers checks for membership/tuition. Regretfully personal and corporate checks are not accepted for tuition payment in part due to the international attendance CEO SPACE enjoys.

Pre-class kits arrive and provide details that cover most questions areas. Pre class kits are fun and immediately beneficial to the CEO who receives them. Local free trainings prior to each CEO SPACE program further help CEO's to commence mentorship prior to each program's start. Comfort rises as each aspect of CEO SPACE's professional pre class system support program start. Most report CEO SPACE is fun and benefits started prior to arrival following the enrollment decision.
